Table 1. Example table

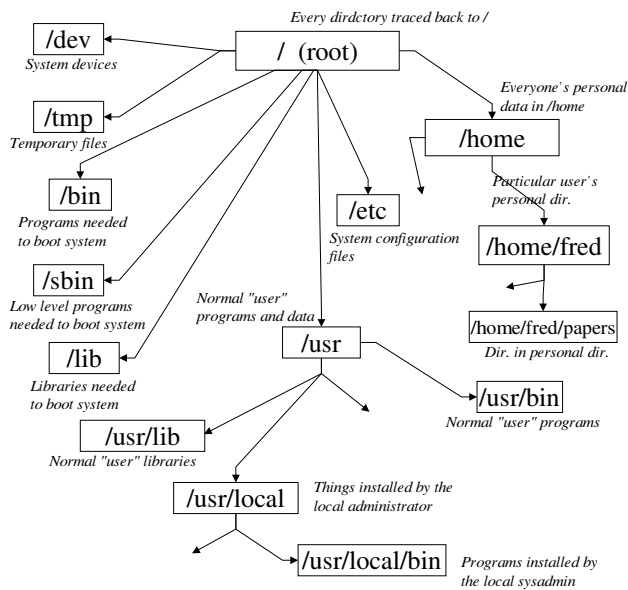

Figure 1. Here is an example figure

1 INTRODUCTION

This is where the introduction goes.

2 OBSERVATIONS

Blah blah. Here we have an equation

$$D = t/v \tag{1}$$

* E-mail: jss@ast.cam.ac.uk

or an equation in a line of text, $a = \cos \theta$.

2.1 Refer to table

I refer you to Table 1. I also refer to Smith et al. (2001).

3 DISCUSSION

To sing or not to sing?

4 CONCLUSIONS

We love writing papers! I finally refer to Figure 1.

ACKNOWLEDGEMENTS

I would like to thank Muon for inspiring me to write this paper.
